

## Chest Workers Will Hear Report Today on Campaign

Community Chest volunteer workers in the Harbor Area will learn the results to date of their efforts for the 1957-58 Red Feather campaign at the area report luncheon today at the Plush Horse restaurant, Redondo Beach.

All campaign volunteer workers are invited to the luncheon at the price of \$1 per person.

### Leaders Present

Jay A. Robinson, Harbor Area campaign chairman, said drive leaders will be present at the luncheon—Ed Mills, second vice chairman of the campaign in the Los Angeles area; Harry Depert, Pacific Telephone and Telegraph, Associated Cities chairman, and Ed Patterson, Harbor Area vice chairman.

The seven city chairmen will announce the progress of their efforts towards meeting their over-all goals and the goals in the various phases of the campaign—commerce and industry, advance gifts, residential and business.

Glenn Koger, Torrance city chairman, has this to say to the volunteers working under him: "You're doing a wonderful job. Let's keep it rolling. Complete your assignment as soon as possible and report 190 per cent at Thursday's report meeting."

### In Fourth Place

In fourth place among five Harbor Area cities reporting progress toward their goals for

the 1957-58 Community Chest campaign, Torrance has 32.89 per cent of its quota of \$19,887 attained at this time, Koger announced.

Gardena, 49.56, is first, and San Pedro, 37.82, second.

Other Harbor Area cities reporting their percentages are Wilmington, 35.03, and Harbor City-Lomita, 27.54.

## Savings Firms Announce Awards For Outstanding Local Students

Palos Verdes Federal Savings and Loan Assn. of Torrance and Southwest Savings and Loan Assn. today joined in the state-wide inauguration of the Outstanding Student Award program sponsored by the California savings and loan business to give recognition to an outstanding senior in approximately 300 of the state's public high schools.

Representatives of the local savings institutions attended a luncheon Tuesday at the Statler Hotel in Los Angeles which announced the program throughout Los Angeles County. Attending the affair were city and county officials, as well as dignitaries from the schools and newspapers.

Palos Verdes Federal Savings and Southwest Savings are actively participating in the program and will give a cash award, respectively, to a graduating senior from both

North High School and Torrance High School.

To Develop Leadership The savings and loan business in California is offering financial inducements to encourage students to achieve high scholastic standings and to participate in extracurricular activities which help develop leadership. By adding to available funds for higher educational purposes, the savings and loan business feels that

additional young men and women will be able to enter and continue in the college, university, or junior college of their choice.

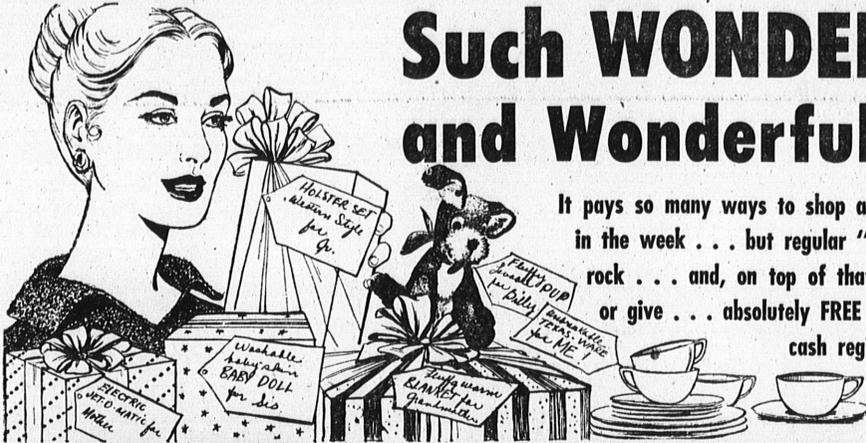

### Must Attend College

The actual cash award will be made during the spring of 1958 to an outstanding graduate of each high school during the 1957-58 term. This student must be eligible and plan to attend a college, university or

CHARLES DECK... Heads County Workers

## Charles Deck Named Prexy Of Employees

The County Employee Assn. of the Southwest Section of the County elected Charles Deck as president at this week's meeting.

Deck, Torrance resident who works under the county administrative department, civil defense division, has an office in the Lennox sheriff's station.

Other officers include Vice President John Chmura, building department; Secretary Marie B. Success, sheriff's department; Treasurer Gene Johnston, deputy tax assessor; Delegate Mary Gray, communications department, and Alternate Delegate Frieda Erickson, bureau of public assistance.

The association, which meets quarterly, plans to invite the public to meetings to become acquainted with the employees whom the Los Angeles County has secured through the competitive civil service system, insuring maximum service to the public, Deck stated.

The meetings will include an installation dinner meeting and a "meet the captain" dinner at which Capt. Robert K. Weddle, new captain of the Lennox sheriff's station, will be honored and introduced to the community.

A question and answer period is also held at each meeting, giving an opportunity for employees and the public to ask questions of the association officers, county officials, and board of supervisor members who are invited to the meetings.
